

What's New with Naviance eDocs?

Presented at September 9, 2014 CANN meeting by Diane Bourn

How to Find Out about What's New in eDocs

- Naviance Summer Institute
- Naviance Network: Webinar (33 minutes) and PowerPoint

No More Printer driver

- National Transcript Center (NTC)

Improved user interface and navigation

- New Displays: FERPA status, Common App sync, if DOB missing, active transcript
- Screens will look different: more intuitive navigation, better workflow, updated and more attractive user interface

Multiple transcript upload

- Coming this fall
- Can upload from PDF file of multiple transcripts
- Watch the sections at the end of the webinar – great demonstration of this
 - Matches and rejects
- New permissions (single or multiple transcript upload): make sure you reset these for registrar, administrative staff, counselors, etc.

Current Year Courses

- Can upload and send senior year courses if not on your transcript

Fee Waiver

- Counselor must approve for each college
- Counselor can dismiss and not approve

NCAA

- Request will come directly from NCAA to Naviance
- Coming in September

FERPA Waiver and Common App Matching

- Simpler process this year; can match after minimal information put in Common App
- Date of Birth now required

Streamlined Support

- Call Naviance for all Common App and eDocs issues
