My Opt-In Preferences*

Colleges, scholarship programs, and lenders are looking for students like you.

Here's how it works: Once you say we are allowed to do so, we will make some of the information you provide to Parchment available to a variety of colleges and programs. Then the colleges and programs send you information about themselves, so you can see if they fit your college plans. Colleges cannot find you at Parchment unless you choose to opt-in.

- Yes, share the information I provide with those colleges looking to discover me at Parchment.
- No, I do not wish to share my information or transcripts with colleges that may be interested in me.

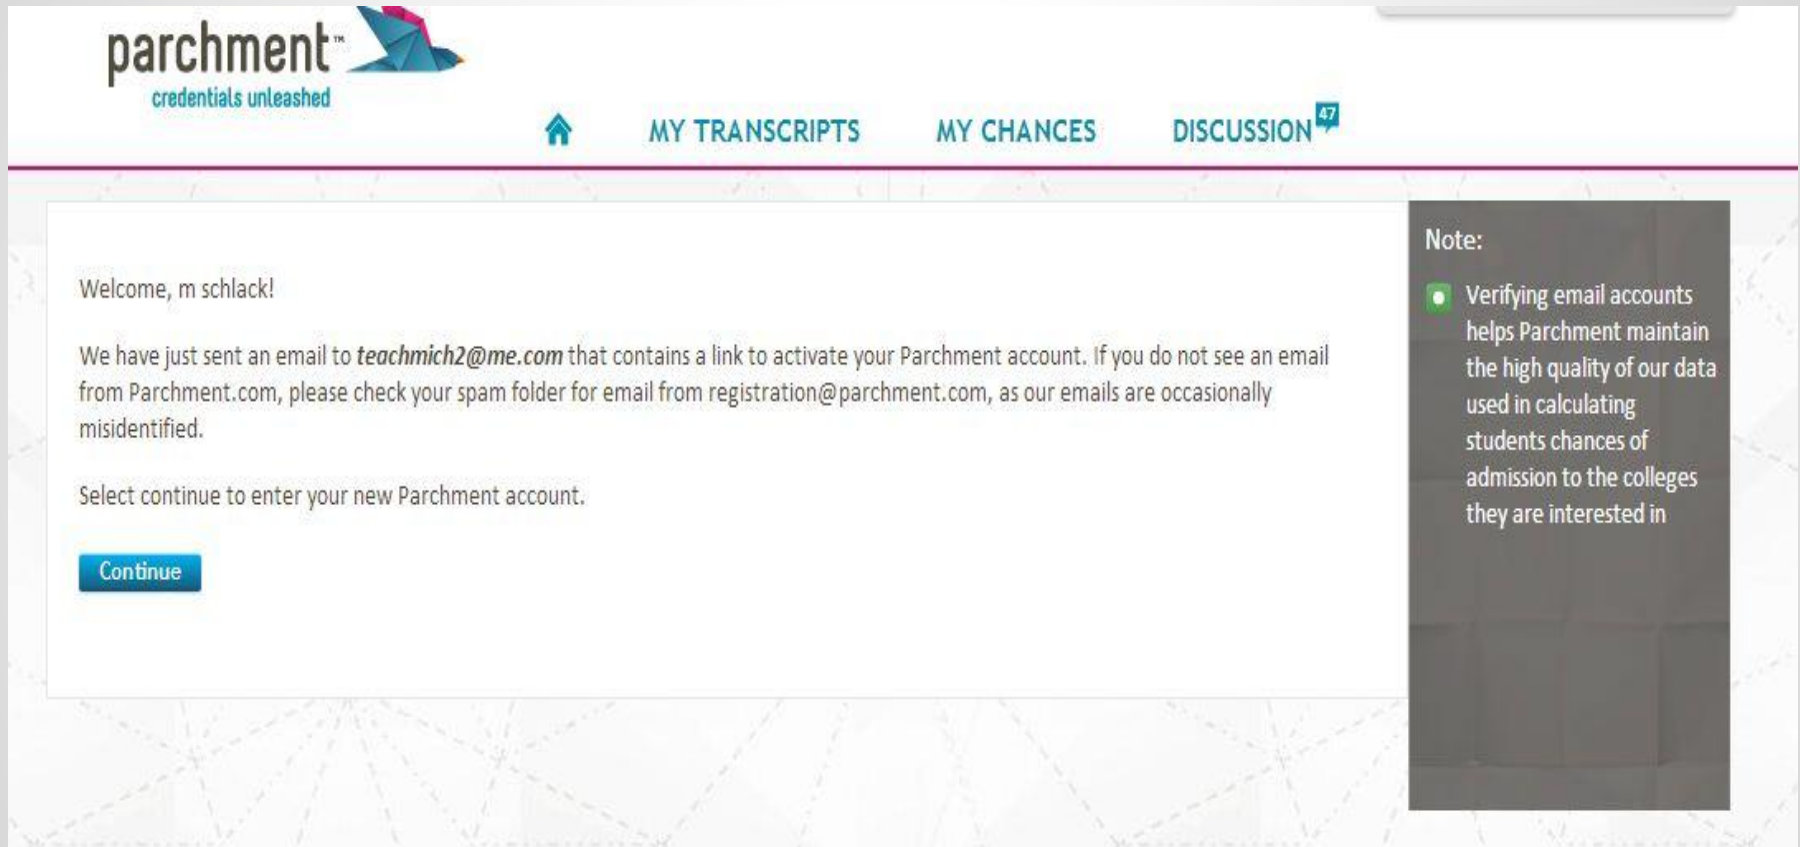

Parchment Newsletter

- Yes, I would like to receive expert college transition tips and special discounts through partners.
- No, I would not like to receive emails about special offers (Parchment may still send emails that are part of the service).

- I agree to the Parchment [terms of use](#) and [service agreement](#)
- I have my parents' or legal guardians' permission to create this Parchment account

The screenshot shows the Parchment website interface. At the top left is the logo for 'parchment™ credentials unleashed' with a colorful paper airplane icon. To the right of the logo are navigation links: a home icon, 'MY TRANSCRIPTS', 'MY CHANCES', and 'DISCUSSION' with a notification badge showing '47'. The main content area is a white box with a light blue border. It contains a welcome message: 'Welcome, m schlack!'. Below that is a paragraph: 'We have just sent an email to *teachmich2@me.com* that contains a link to activate your Parchment account. If you do not see an email from Parchment.com, please check your spam folder for email from *registration@parchment.com*, as our emails are occasionally misidentified.' Underneath is the instruction 'Select continue to enter your new Parchment account.' and a blue 'Continue' button. On the right side of the page, there is a dark grey sidebar with a 'Note:' section containing a green checkmark icon and the text: 'Verifying email accounts helps Parchment maintain the high quality of our data used in calculating students chances of admission to the colleges they are interested in'.

Note: We do not have students verify account. It is not a necessary step.

Under the 1974 Family Educational Rights and Privacy Act, an applicant who is admitted and enrolls has the right to review his/her educational files including recommendations. To obtain confidential recommendations for the purposes of admission and academic counseling only, it is possible to waive one's right of access. If you wish to voluntarily waive your right of access to this document, select the checkbox below, constituting your electronic signature. If you have questions about this waiver, please discuss its implications with your counselor.

Sign the Transcript Request Form

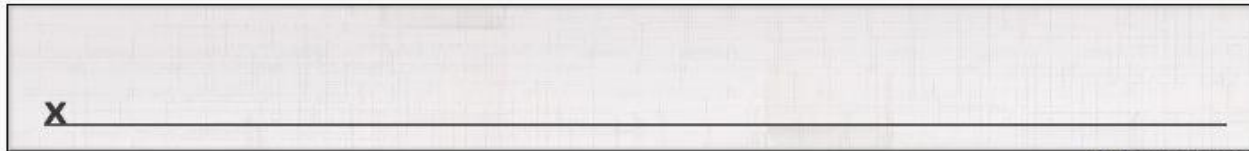

Federal regulations require that we receive your parents signature before we can process transcript requests for m schlack. Your parent (or legal guardian's) authorization will allow your transcript to be delivered to destinations that you designate that are not included in our database of authorized destinations. The parents authorization may be given using your mouse or stylus to sign your name in the box below. Once authorized we can process all of your transcript requests.

Parchment will keep the authenticated form on file and the parent will not be required to sign it again when you place additional requests for transcripts from this school. Of course, you or your parent will be able to withdraw this authorization at any time by signing into this account and accessing preferences.
