

Teachers,

As was the case last year, all letters of recommendation supporting students' college applications must be submitted online through a program called Naviance. If you are a returning staff member, your username and password remains unchanged from last year. New staff will receive a registration email from Naviance this week with a username and temporary password.

Written Naviance instructions are available here:

Please remember that the technology support staff (Katie Aquino, Allison Bava, Jim Bondi, Dave Lapetino, Steve Moore, James VanDenburgh, and Mary Zaleski) and the counselors are available to answer any questions you may have along the way. We appreciate your support of our seniors' college applications. Thank you in advance for your help!
